Dear Mr. Stewart:

I'd like to thank you and Ms. Cox for taking the time to send Ecology and Environment a water distribution map of the Springfield area. I know that E & E has spoken with you in the past concerning water use and distribution and that we have found it very helpful.

Ms. Cox has informed me that the city will cover the cost of printing for which we thank you. Should you decide otherwise or should any additional costs be incurred, please mail E & E the itemized bill at the address shown on the heading.

Once again, thank you for your efforts and if we can be of any help to you in the future, please let us know.

Sincerely,

Andrea L. Davis
